

Aug.04.2015

To whom it may concern,

The purpose of this letter is to confirm that IEEE Montréal Section partially supports the following technical seminar which will be held at McGill University:

- **Speakers:** Dr. Karen Burg (IEEE EMBS DL), Dr. Bernard Allan Cohen (IEEE EMBS DL), and Dr. Luis Collins (McGill U.).
- **Topics:** Biological, Biomedical Eng., Biomaterials, Bioethics, and MRI.
- **Other Activities:** Graduate students from 5 universities (McGill U., U. Toronto, U. Montreal, U. Laval and INRS) will present their research work.
- **Attendees:** ~ 300
- **Date:** Sep. 25-27, 2015

This seminar is part of the IEEE Engineering in Medicine and Biology (EMBS) Chapter activities. The total amount agreed by the IEEE Montréal Section to support this technical event is: **\$500.00 CAD**.

Please feel free to contact me should you require further information.

Sincerely,

Mouhamed Abdulla, Ph.D.
Treasurer, IEEE Montréal Section
